

FLORIDA PAWNBROKERS ASSOCIATION

INVOICE – 2020 Membership

1215 S. Dixie Hwy E

Pompano Beach, FL 33060

2020 Florida Pawnbrokers Association

Membership includes (most importantly) lobby efforts, up to date legislative information, communication with the association and other pawnbrokers in Florida, alerts on theft and scam rings.

This year, we expect to see legislation regarding gun reform in addition to a few other reoccurring potential issues at the state level. Also we are ALL at risk as the federal government is (again) actively seeking to implement a federal cap on interest rates to 36% APR that currently will apply to all pawnbrokers, how will this affect you?

\$300 for your first store, \$100 each additional store.

Please fill out the membership form on the back of this page and if applicable please include an additional page listing all additional stores and addresses.

Should you have any questions, you may reach me personally at josh@gcpawn.com or info@floridapawnbrokers.net. **We need a strong membership to prevent additional legislation that WILL negatively affect us all! This is your cheapest insurance policy!**

Josh Davis

President, Florida Pawnbrokers Association
