Message From The President

To All FPA Members,

Legislative Update: HB 7051 awaits action by the House Committee on Regulatory Affairs and SB 1018 awaits action by the Senate

Appropriation Committee. You can find these Bills on line. We don't believe that there is anything that will be Harmful to the Pawn Industry even though the pawn industry is mention. We have our lobbyist monitoring all the actions going

on in Tallahassee. He is also monitoring SB 1630 and HB 7091 that standardizes penalty language which is crossed referenced in the various statutes enforced by the Dept. of Agriculture and the Consumer Services, including penalties relating to the Pawnbroker Act. This is an internal statutory transfer. Nothing changes. We will notify all members if there should be a call to action.

If anyone has question please feel free to contact me or any of your BOD.

Sincerely

Thank You

Tom Howard

Thank You For Making It Happen

We now have a Google Group set up for the Florida Pawnbrokers Association Members. It is your Members Only Page! It is very simple to use and set up. Just go to the Members Only Page on the FPA Web site and follow the instructions. You can get on from the Members Only Page and once you are set up you can get the messages send to you from your computer or cell phone. The Members only site is getting off to a slow start but if we can get every member to participate you will be able to find answer to your questions from Pawnbrokers who have a lot of experience. You will be able to communicate with members that have a wealth of knowledge and has been in the pawn industry for along time. You will not be able to find this kind of information anywhere. It would be great to know someone who has experienced what you are experiencing and would be able to help. You owe it to yourself to make this happy.

The Florida Pawnbrokers Association is still looking for board members. If you have what It takes to become an active part of your state association and would devote some of your time and talents to a very good cause. We would like you to join us to makes this association into one that is directing what is happening here in this state of Florida instead of being directed. Together we can make a difference and be heard. We need board members that want to be a part of shaping this industry and making it better for all pawnbrokers. If you think this is something that you want to be a part of then please contact one of the board members of your association.
